VIKRAM BOOPATHY

TECHNICAL FUNCTIONAL CONSULTANT | SAGE INTACCT & MICROSOFT DYNAMICS ERP

Coimbatore, Tamil Nadu, India | +91 95009 66472 | boopathyvikram5@gmail.com

PROFESSIONAL SUMMARY

Technical Functional ERP Consultant with 5+ years of hands-on expertise specializing in **Sage Intacct, PairSoft (PaperSave), Prophix, and Microsoft Dynamics (Business Central & GP)**. Deep domain mastery across core corporate accounting and financial operations, including **General Ledger (GL), Purchasing & Procurement, Accounts Payable (AP) Automation, Accounts Receivable (AR), Bank Reconciliation**, and multi-entity cash management. Proficient in technical customization using **SQL database queries, JavaScript scripting, API/XML integrations**, and deploying secure cloud environments on **Azure Virtual Machines** with federated IAM/SSO authentication.

CORE SKILLS & TECHNICAL COMPETENCIES

ERP & CPM Platforms:	Sage Intacct, PairSoft (PaperSave), Prophix, Microsoft Dynamics 365 Business Central, Dynamics GP, Blackbaud Financial Edge
Financial Modules:	General Ledger (GL), Purchasing / Procure-to-Pay (P2P), Bank Reconciliation, Accounts Payable (AP), Accounts Receivable (AR), Fixed Assets, Cash Management
Technical & Database:	SQL (Querying & Optimization), JavaScript, Web APIs (REST/SOAP), XML Data Flows, Custom Field Configurations, Data Migration
Cloud Infrastructure:	Microsoft Azure, Azure Virtual Machines (VM Provisioning & Hosting), AWS EC2, AWS S3, Server Diagnostics
IAM / SSO Security:	Azure AD / Microsoft Entra ID, SAML 2.0, Okta, Duo Security, Google SAML, Federated Single Sign-On

PROFESSIONAL EXPERIENCE

PAIRSOFT
Dec 2025 – Present

Technical Functional Consultant – Sage Intacct, Dynamics & Prophix Integrations

- Lead technical-functional implementation of **PairSoft (PaperSave) AP Automation and Prophix CPM** integrations across Sage Intacct, Microsoft Dynamics 365 Business Central, Dynamics GP, and Blackbaud.
- Configure and optimize core finance modules: **Purchasing workflows, Purchase Orders (PO), General Ledger, AP, AR, and automated Bank Reconciliation** for multi-entity corporate structures.
- Develop custom **SQL queries and JavaScript scripts** for backend database troubleshooting, data validation, workflow routing, and technical issue resolution.
- Manage environment setup and deployment of **Azure Virtual Machines (VMs)** for secure ERP application hosting and PaperSave server configurations.
- Configure **Azure AD / Microsoft Entra ID, SAML 2.0, and Okta SSO** authentication boundaries for enterprise clients.

PROVEWAY
Nov 2024 – Dec 2025

ERP Technical Consultant & Automation Engineer

- Configured and supported **Sage Intacct** and Dynamics GP solutions focusing on core finance operations, including GL posting, AP invoice routing, purchasing approval hierarchies, and bank reconciliation.
- Engineered custom **Shopify-to-Sage Intacct order and payment settlement sync engines**, ensuring accurate ledger reconciliation and financial report generation.
- Leveraged **SQL, JavaScript, and Web APIs** to write custom automated data transformation scripts and resolve data sync discrepancies.
- Provisioned and managed **Azure Virtual Machines** for hosting ERP integration engines, running automated batch jobs, and enforcing SAML-based cloud security protocols.

AMAZON (AWS SUPPORT) **Aug 2018 – Sep 2021**
Senior Technical Support Engineer

- Delivered high-tier technical consulting for cloud infrastructure focusing on **AWS EC2, S3, and IAM** security, resolving 500+ enterprise-grade B2B incidents with a 98% CSAT.
- Analyzed server logs, deployment traces, and network connectivity boundaries to troubleshoot complex system failures and ensure maximum uptime.

SELECTED DEPLOYMENTS & EDUCATION

- **Ferrara Fire (Sage Intacct + Azure SSO):** Technical and functional deployment of Sage Intacct hosted on Azure Virtual Machines with Entra ID Single Sign-On.
- **Metro Tulsa / Tulsa Transit (Business Central + Azure IAM):** Led financial ledger setup, purchasing customization, and Azure AD identity integration for public transit systems.
- **Master of Social Work (MSW)** – NGM College, Bharathiar University, India.
